Sir K.P. College of Commerce - Surat

College Mobile Application

To register with the college app, just follow these few steps.

1. Update application from Google play store

2. Go to "Student Zone" tab in the app. Enter your mobile number, the same which is given in college records and click "Register". You will receive OTP, enter the same and then click "Verify" button to complete the linking.

Note:

❖ One mobile number can be registered from one device at a time.

❖ The app is currently available for Android.

❖ Linked mobile number can be changed or removed from Student Zone -> Settings.
